

Ohio Republican Party C00162339  
February Monthly Report (1/1/04-1/31/04)

Please be advised that I have received your letter dated May 12, 2004.

I believed that the H1 had been entered but for some reason did not print with the report. I have reentered the H1 and sent the amended report to you. Please advise me if you do not receive the H1 as it does show when I print the report to the screen.

Should you have any further questions please contact me.
